An outstanding opportunity for undergraduate students to excel in STEM and health science research and to explore career options at University at Buffalo.

CLIMB UP Fellows will...

- ❖ Complete individualized lab rotations
- ❖ Learn and apply laboratory skills (1-week course)
- ❖ Gain exposure to a wide variety of STEM disciplines
- ❖ Discover graduate and professional school possibilities at UB
 - ❖ Tour the Buffalo Niagara Medical Campus
- ❖ Present their research in a formal symposium setting
- ❖ Enjoy all that Summer in the Buffalo Niagara region offers
- ❖ Build lasting relationships with mentors and fellow students
